### Re: Product availability

Dear valued customer

We would like to confirm the availability of key critical livestock vaccines in the next coming weeks. We are aware of the importance of the availability of vaccines against vector-borne diseases which are prevalent due to the recent persistent rains. In the week of the 13<sup>th</sup> February 2023, we are pleased to announce commitment of the distribution of the Bluetongue vaccine. Other vaccines such as the African Horse Sickness, Rift Valley Fever, and Lumpy Skin Disease, will follow shortly. OBP is proud that availability of vaccines will assist in ensuring that outbreaks of diseases are prevented. OBP encourages farmers to vaccinate immediately when the vaccines become available. We remain steadfast in ensuring that vaccines reach our customers as soon as possible, and undertake to update our stakeholders on progress in this regard.

For further details please contact us on the call centre numbers 012 522 1684/5/7/8, or email us on [ordersloc@obpvaccines.co.za](mailto:ordersloc@obpvaccines.co.za).

Yours sincerely

### Re: Besikbaarheid van entstowwe

Geagte gewaarde kliënt

OBP wil graag die beskikbaarheid, van belangrike kritieke vee-entstof, in die volgende komende weke bevestig. Ons is bewus van die belangrikheid van die beskikbaarheid van entstof teen vektor-oordraagbare siektes wat kan voorkom as gevolg van die onlangse aanhoudende reën. In die week van die 13<sup>de</sup> Februarie 2023 kondig ons met graagte verbintenis tot verspreiding van bloutong-entstof aan. Ander entstowwe soos Afrika-perdesiekte, slenkalkoors en knopvelsiekte sal binnekort volg. OBP is trots daarop dat beskikbaarheid van entstowwe sal help om te verseker dat uitbrekings van siektes voorkom word. OBP moedig boere aan om dadelik in te ent wanneer die entstowwe beskikbaar word. Ons bly onwrikbaar daarin om te verseker dat entstowwe ons kliënte so gou moontlik bereik, en onderneem om ons belanghebbendes op hoogte te hou van vordering in hierdie verband.

Indien u enige verdere navrae het kontak ons gerus op 012 522 1684/5/7/8 of stuur 'n epos aan ons by [ordersloc@obpvaccines.co.za](mailto:ordersloc@obpvaccines.co.za)

Vriendelike groete
